Park Lane

Homes *for the* Future

As part of Cherrywood Village, Park Lane adheres to Evara's four principles of modern and sustainable home building: Community, Connectivity, Environment and Future Homes. Park Lane is a fantastic opportunity for modern homeowners to enjoy a new way of life in a convenient and attractive location.

The Vision

Discover a fresh, sustainable and modern lifestyle at Park Lane by Evara. The latest addition to Dublin's newest and most exciting new village in Cherrywood, South Dublin.

Located in an area steeped in history and heritage, Cherrywood Village is a meticulously planned new neighbourhood firmly rooted in the local landscape. The area's significant history has been blended with the needs of modern communities to create a harmonious link between the past and the present, a new chapter in the story of this beautiful area.

Residents can enjoy being surrounded by tangible reminders of the area's heritage, with national monuments such as Tully Church and Tully Cross, dating from 8th-11th centuries, carefully preserved and celebrated within the new facilities of the neighbourhood.
